Refinancing of A'liénor, A65 Pau-Langon motorway concessionnaire

A'liénor, a subsidiary of Eiffage for 65% and Sanef for 35%, concessionnaire until 2067 of the A65 Pau-Langon motorway that opened in December 2010 finalised with success its debt refinancing. The operation covered the implementation of a 825 million of euros 10 year loan subscribed by 11 banks to replace the existing debt maturing in January 2020.

This operation which was largely oversubscribed by the market comforts the financial structure of A'liénor whilst securing for the future the lowering of its financial charges of which it benefited since 2015.
